

# The Perfins Club Library

**A**ny member in good standing in the United States and Canada may use The Perfins Club Library. The high cost of international mail precludes the loan of material to members outside North America. The Library will; however, provide copies of any library material to any member anywhere in the world at the rate of 15¢ (U.S.) per page plus the cost of postage. Here are the rules for use of the library.

- All requests for library material must be signed, include your Perfins Club membership number, and have a legible address.
- Materials may be borrowed for up to 30 days; returns must be made promptly.
- Borrowers must pay all shipping charges. The librarian will pay postage on shipments to borrowers; borrowers must include that amount of postage when returning the material *plus 50¢* for the cost of the mailer.
- Borrowers must take every precaution to protect library material while it is in their possession, and must pack it securely for the return trip to the library.

A code number is assigned to each item in the library. *Please use the code number when requesting material.* Clip Files include miscellaneous clippings about a particular topic. Worksheets are drafts of potential catalogs. They are not final listings. They are constantly subject to change. If you have material not included on a worksheet, please contact The Foreign Catalog Editor, Floyd Walker, P.O. Box 82, Grandview, MO 64060-0082 USA.

Requests will be filled as rapidly as possible. Obviously, some volumes are more popular than others and there are waiting lists for them. That's why it is so important that you return material promptly. The postal service "special library rate" may be used to return material to the library, but the package must be clearly addressed to

**The Perfins Club Library, 119A West Ash, Lombard, IL 60148 USA.**

Here are some suggestions that will keep you in good standing with the Librarian and the post office.

- Don't include personal notes when you return material by library rate. The United States Postal Service frowns on such and they do check.
- Please make sure you return the library charge sheet included with the shipment when it is sent to you. That's how the Librarian keeps up with things.
- Please make sure to reimburse the Librarian for the postage, and the mailer (50¢) used on the shipment to you. Reimbursement in U.S. funds or stamps only, please.

Other than the small charge for the cost of the mailing materials used, The Perfins Club does not make a service charge for use of the Library. Your help in making sure that the library material is packed carefully, returned promptly, and protected while in your possession is appreciated.

**Address all requests and correspondence concerning the library to**
